PRICE THREE CENTS

NEW LAW AIMS TO PROTECT STREETS

Permits Required to Store Building Material on Highway.

NEW TRUCK PURCHASED

The passage of a bill to restrain residents and contractors from the promiscuous use of the public highways as storage places for building materials featured Monday's meeting of Borough Council.

The ordinance, which was immediately signed by the Burgess, requires a permit to open a street, store materials on it, or obstruct it in any way. It was passed to supply a method whereby a check can be kept on highway obstructions of all kinds.

The provisions of the ordinance state that the charge for a permit to deposit materials on the street will be \$1 per day or fraction, with a 30-day limit for any one permit. To open a street the fee is \$9 for every square yard or fraction opened.

It is provided that in depositing materials a permit is to be issued only if it is shown that there is no place available on the abutting property. If the permit is granted, not more than one-third of the width of the highway may be occupied, and a free space must be left for the passage of water in the gutter. A four-foot unobstructed foot walk must also be provided for.

The ordinance is directed to a considerable extent against contractors who obstruct streets for an indefinite time with large piles of materials, to the annoyance of other citizens. Recent serious offenses which precipitated the ordinance were recorded against the contractors for the new Presbyterian Church, St. Margaret's Parochial School and the business buildings at the northwest corner of Haverford and Narberth avenues. In each of these cases a large amount of material was stored in the street for a long period. In several recent operations, auto traffic could barely squeeze by the truckloads of materials piled across the road.

The annual audit was received and discussed at some length. Plans were taken up for the installation of an improved bookkeeping system for the Borough, despite the accuracy of Mr. Dold's books. A plan may be worked out by the auditors in conference with Mr. Dold. The death of one auditor and the resignation of another resulted in the appearance of two new names among the three signed to the document. The new auditors are Isaac McHose and Andrew Greene.

A letter was read from tax collector, Mrs. Abbie N. Viven, in which she announced that liens had been placed against 13 properties for unpaid 1926 taxes, and that warrants were being served on other delinquents.

"ADAM AND EVA" WILL BE PRESENTED TONIGHT

Performance in Elm Hall—Community Club Enjoys Readings.

The stage is all set for the performance of "Adam and Eva," in Elm Hall at 8.15 tonight. This will be one of the best things Narberth has seen for a long time. Tickets are 50 cents.

The Community Club was glad to have its president, Mrs. Douglass, back in the chair on Tuesday. During the business session the two amendments to the By-laws, which have been pending, were passed. The announcement of the gift of \$250 from the Narberth Civic Association was warmly received. Minna Lisa Eckert gave a varied program of readings, as the list shows: "House with Nobody in It" and "Trees," Joyce Kilmer; "Cuddle Doon," Anderson; "Happiness," Wilson; Impersonation of an Italian girl and her Irish "boy friend," Eckert; "Mrs. Nunan's Telegram," Eckert; "Pa's Soft Spot," Alger.

Miss Eckert was quite as effective in the tender and idyllic, represented by the first half of her program, as in the rollicking fun of the later numbers.

Tea was served by Mrs. P. M. Field, hostess; Mrs. G. N. Gill, Mrs. P. A. Wales, Mrs. G. F. Michelson, Mrs. H. G. Reeves, Mrs. J. J. Findenison and Mrs. David Quick.

Hundreds Pay Final Tribute to Dead Township Police Captain

The following resolution was passed Monday night by Borough Council:

WHEREAS, it has pleased Divine Providence to remove from our midst Captain James I. Donaghy; and WHEREAS, the Borough of Narberth has for several years enjoyed the most effective police protection in its history as a result of the extension of the control of the police of Lower Merion Township to the town, much of the success of which was due to the personal co-operation of Captain Donaghy; be it therefore

RESOLVED by the Council of the Borough of Narberth in regular meeting assembled on February 14, 1927, That it hereby express its appreciation of the high type of service rendered to the community both as an officer and as a man by Captain Donaghy, that it extend its sympathy on behalf of the people of Narberth to those surviving him, that this resolution be spread upon the minutes, and that a copy thereof be sent to the family.

CHAS. V. NOEL, Secretary.

MOTHERS' COUNCIL ELECTS OFFICERS

Constitution and By-Laws Are Adopted at Organization Meeting.

DR. GERNEY TO SPEAK

The recently formed Mothers' Council met last Monday evening in the school auditorium to complete its organization by adopting constitution and by-laws. This Council, under the direction of Mrs. R. G. Aungst, as chairman of Education of the Women's Community Club, had grown in four months to a membership of about 150 women, and in order to expand in the direction of its specialized activities felt the need of becoming an independent organization.

At the meeting on Monday evening at which Mrs. Aungst presided, Mrs. L. C. Douglass, president of the Women's Community Club, reviewed in a very gracious manner the history of the Mothers' Council up to that time and expressed her wishes and those of the Women's Club, who had sponsored the new organization, that it might go far in the work for which it was formed.

The chairman of the nominating committee, Mrs. L. U. Bergeron, submitted a slate of officers which was unanimously elected: for president, Mrs. R. C. Aungst; for first vice president, Mrs. C. W. Bates; for second vice president, Mrs. Mary L. Hoover; for secretary, Mrs. Harrison M. Berry; for treasurer, Mrs. J. T. Perry.

Another important decision, namely to join the State and National Congress of Parents and Teachers, was made after Mrs. G. S. Wertsner, a member of the Executive Board of the State organization, had given in a very comprehensive manner the history of the organization and had summed up the advantages of an affiliation with it.

The third important step was the adoption of constitution and by-laws, as submitted by Mrs. Robert Graham. According to the by-laws any woman interested in children and their education may become a member of the Mothers' Council on payment of the very nominal dues.

The three speakers of the evening were Mrs. Wertsner, as already mentioned, Miss Mary L. Holmes, assistant principal of the Germantown High School, who charmed her hearers by the way in which she outlined the responsibilities and advantages of a Mothers' Council from the viewpoint of the school, and Mr. George H. Wilson, principal of the local school, who suggested two very definite points in which the new organization could be of assistance, first by encouraging the mothers to visit the school, and secondly by adopting some definite policy controlling the outside activities of the school children.

Refreshments were served by the hospitality committee, and a genial and fine spirit seemed to pervade the entire group. The Mothers' Council wish at this time to thank Mr. Walter Roser of the Narberth Taxi Company for generous cooperation in providing transportation for the outside guests.

Dr. Oscar E. Gerney, who is to speak before the fathers of Narberth in the junior high school auditorium at 8 P. M. February 28, CONTINUED ON THE SECOND PAGE.

Funeral services were held Tuesday afternoon for Captain James I. Donaghy, of Ardmore, who died at 10.30 o'clock Saturday night after an illness of more than a year. He had been head of the Lower Merion police department from 1910 up to last September, when failing health, compelled him to relinquish his more active duties.

Hundreds attended the funeral, which was held from the residence at 143 Cricket avenue, Ardmore. Political leaders of the township, high police officials from neighboring township districts and from Philadelphia were among the scores of friends who were there to pay final tribute to the man who was regarded as one of the capable police officials in this part of the country.

Four fellow officers of Captain Donaghy, Lieutenants Mullin and Miller, and Sergeants King, Wentz, Vanderver and Wilson acted as pall bearers at the funeral. An escort of honor was also provided by the policemen of the Lower Merion force. This last arrangement was possible through the courtesy of the Haverford and Radnor townships police departments. They sent men into the Bryn Mawr and Ardmore districts to cover beats in order that the men in these districts might be released to pay tribute to their departed chief.

The final services were conducted by Rev. Edmund Grindal Rawson, of the Ardmore Presbyterian Church. Interment was in Mt. Moriah Cemetery.

Captain Donaghy was in his 75th year and was the husband of the late Sarah R. Donaghy, nee Kakel. He is survived by two daughters, Miss Regina and Miss Edna Donaghy, who resided with him in Ardmore and by three sons, Harry, of Conshohocken road, Cynwyd; Irwin, of Ardmore, and Philip Donaghy, of Philadelphia.

Captain Donaghy came to Lower Merion in 1910 after serving 31 years as an officer and a detective in the Philadelphia police department. He remained in active charge as chief of the Lower Merion force until about two years ago, when he was taken ill and given a leave of absence. During this time Lieutenant Mullin was active head of the department.

Last September when it became known that Captain Donaghy would not recover fully from his illness and be again able to assume active charge, the township commission reorganized the police department, secured Captain Charles P. Smith, of McKees Rocks, Pa., and made him superintendent. The old office of chief of police, which Captain Donaghy had held since 1910, was abolished, but he was deemed too valuable a man to lose.

FIREMEN BANQUET THURSDAY NIGHT

Annual Testimonial Dinner to Be Held in Elm Hall.

TICKETS GOING FAST

Plans are complete for the annual testimonial dinner to the Narberth volunteer firemen. The event will be held next Thursday evening in Elm Hall.

Five hundred tickets have been sent out, and the replies have been coming in daily. On Tuesday morning, the caterers must be informed of the number of guests expected, so it is planned to close the lists Monday night.

To date the response has been satisfactory, but many who are likely to attend have failed to make a report. The committee has asked that returns be made at once, so that no one will be disappointed.

The dinner is in the form of a good-will gathering to show Narberth's appreciation for the sacrifice of time and interest shown by the firemen in protecting the Borough. Each year the affair has grown in size and interest, and all indications point to a record turnout next Thursday.

ORCHESTRA GIVES VARIED PROGRAM

Increasing Improvement Is Shown in Third Concert in Ardmore.

PENN BAND TO BE NEXT

A concert of varied character, sustained interest and unquestioned proficiency was offered Sunday in the Ardmore Theater by the Main Line orchestra in its third program of the present season. Local music lovers who attended realized that they were no longer listening to a group of untrained amateurs.

Sixty-five instruments, with Ailsa Craig MacColl as piano soloist, played together with a sureness which told of long practice, and responded easily to the baton of Adolph Vogel in the performance of several technically difficult numbers.

The outstanding part of the program was the Adagio Lamentoso movement of Tchaikowsky's famous Symphony Pathétique. It is a movement of passionate intensity, vigorous attack and sharp contrasts. It was played accurately, and in a manner which well brought out the depth and emotional quality.

Miss MacColl's number with orchestra accompaniment was the melodic first movement of Schumann's Concerto in A minor. The soloist brought out the familiar themes with strength and vigor, playing well with the orchestra.

The concert opened with the "Sakuntala" overture by Goldmark, familiar to most of the large audience. In this, as well as in the symphonic movement, was the growth of the orchestra demonstrated.

Three of MacColl's "Woodland Sketches" were played. They were "At an old Trysting Place," "From an Indian Lodge" and "To a Wild Rose"—the latter a string orchestra version by Hedda van den Beemt. Again the orchestra's policy of playing familiar numbers well

TO OPEN FLORIST SHOP

Mrs. Norman Jefferies is planning shortly to open a florist shop in the store in the new Merion Title & Trust Company building at Haverford and Narberth avenues, which she has leased through the office of Robert J. Nash. The establishment of a flower shop here in Narberth, particularly by one who knows and loves flowers, will fulfill a long needed requirement.

SUB-JUNIORS MEET

The sub-junior section of the Woman's Community Club is reminded of the meeting Monday evening at 7.30 with Catherine Loughlin, 210 Chestnut avenue. This is the last opportunity of being enrolled as a charter member, which is usually considered a real privilege.

COUNTY TAX RATE WILL REMAIN SAME

Commissioners Find Present Figure of Three Mills Adequate.

CONTINUE ROAD WORK

Montgomery county's tax rate for 1927 will remain at three mills. This announcement was made at a meeting held Friday afternoon by Commissioners Stout, Crawford and Keelor.

Speaking for the board, President Stout stated the Commissioners had succeeded in taking care of all necessary improvements for the year, without being obliged to raise the tax rate.

In the budget are several big bridges, including the Green Lane and Black Rock spans over the Schuylkill. With the completion of these spans, the counties' worries about bridges will be over for all the spans from Manayunk to Royersford are durable structures.

Funds have also been provided for carrying on of the road program. The Commissioners early in the year agreed any lapse in road construction would be a costly proposition to the county in later years.

VARIED 28 DEGREES

The temperature varied last week from 52 to 24 degrees, according to the Co-operative Observer for the Weather Bureau at Narberth. The temperature excess since the first of February is 78 degrees. Last year at the same time there was a deficiency of 39 degrees.

Sunday's snowfall is not included in last week's report, which showed a precipitation of .03 of an inch. The total since February 1 was .20 of an inch, up to last Saturday night. The barometer was high at 30.33 and low at 29.87 for the week.

"KATHLEEN" TO BE PLAYED NEXT WEEK

Cast Announced for Play by St. Margaret's Dramatists.

THREE PERFORMANCES

A good selection has been made of the principal characters who will unwind the plot of the romantic comedy "Kathleen," which will be staged by the Dramatic Club of St. Margaret's Church, next Thursday, Friday and Saturday, February 24-25-26, in the church hall.

The principals in the play are as follows: "Kathleen O'Day," Helene O'Keefe; her sweetheart, "Jimmy Stanton," Ben Lanahan; "Flossie Neverset," the peppiest girl in town, Kathryn Burgess; "Ned Rollington," the handsome collegian who wishes to marry a girl with money, Matthew Callahan; the "nosey" postmistress, "Arabella Wilkins," Edith Maguire.

"Hans Swindler," the German butcher, whose "safe was stolen out of der money," Pete Eidenberg; "Lem Underduck," Flynnville's police force, who has been courting Miss Wilkins for 20 years, Dave Lanahan; "Michael Flynn" the richest man in the town and Kathleen's uncle, Jack Sexton; and "Teckley Bramble," the would-be sheik of the ladies, Bill Torchiana.

There will also be many lively musical numbers and dances by other talented members of the club.

The only way to appreciate their efforts and be entertained is to see the show. Don't forget the dates and time, next Thursday, Friday and Saturday, the 24-25-26, at 8.15 P. M.

Admission is 75 cents each night, and dancing afterwards on Saturday. Tickets can be secured from any member of the club.

DOWNES HOME DESTROYED

Maryland Mansion of Former Burgess Burns Down.

"Bonfield," the home of former Burgess and Mrs. Carroll Downes at Oxford, Maryland, was destroyed by fire last Saturday.

The residence, a large mansion, was built in 1773. In it were many valuable American antiques, which were consumed by the flames.

Mr. and Mrs. Downes purchased the mansion several years ago, occupying their home at 315 Woodside avenue during the winter months. Later they took up their permanent residence in Maryland and sold the Narberth property to George B. Suplee.

The Downes home was located but a few miles from "Snug Harbor," the farm home of Mr. and Mrs. C. E. Humphries, former Narberth residents.

A REMINDER

That tonight is the date for the Tennis Club Dance at the Merion Tribute House, 625 Hazelhurst avenue, Merion.

A very reasonable way to entertain any friends who may be coming out to see you. From the promises we have had, we are assured that we won't have an "M. T." house, so you had better join the crowd and have a good time. (You can sleep late the next morning.) The invitation includes you, even though not a member of the club.

LEGAL HOLIDAY

On Tuesday, Washington's birthday, the banks and post offices will be closed along the Main Line, as elsewhere. Postmaster J. B. Nesper announces that the Narberth Post Office will be closed all day Tuesday, and that there will be no deliveries of mail. Mail will be despatched as usual, however, and the lock boxes will be accessible.

SPRING-LIKE DAYS BRING BALL TALK

League May Organize Next Week—Local Club Soon.

EARLY INTEREST SEEN

A few more springlike days with a temperature such as Tuesday showed, and practice baseball games will be the order of the day in back lots.

True, a blizzard may descend upon the spring fever sufferers at any moment, but in the meantime, plans are under way to get the ball rolling for the coming league season.

In Narberth a number of players and fans are talking of the advisability of an early meeting to organize for the season. An early election of officers, it is felt, will assure a flying start when the weather opens up in a month or so.

Last year's officials included J. J. Cabrey, President; John A. Miller, vice-president; Charles E. Harnden, secretary and treasurer; Harry Hol-lar, business manager and Jack Jefferies, manager.

Three possibilities for the post of manager have already been mentioned, although it is not known whether or not all will be candidates for the job. Jefferies may continue in the post; Bill Crowell may resume the toga, or Fred Walzer's ambition to again lead the local nine may be realized.

The annual meeting of the Main Line League will be held at the home of the president, H. J. Mos-teller, 47 East Lancaster avenue, Ardmore, next Monday evening, at 8 o'clock. The representatives of Narberth, Berwyn, Wayne, Preston, Auto Car and Brookline Square Club who made up the circuit last year have been invited to attend in addition to others who have expressed a desire to place clubs in the league during the coming season.

DECLARES CRIME IS NO ENIGMA

Penitentiary Chaplain Addresses Holy Name Society.

Rev. Francis Hoey, Catholic chaplain of the Eastern Penitentiary, in an address before St. Margaret's Holy Name Society, on Tuesday evening, declared, as a result of his experience and careful review of hundreds of prison cases, that if the average criminal is neurotic it is only because he has not had the training to make him otherwise, and the speaker expressed as his further opinion that the remedy for lawlessness must be a morality firmly supported by virile religious convictions.

Father Hoey submitted statistics covering the last half of 1926, when about 250 men of various ages describing themselves as Catholics were admitted to the institution. Of this number, the speaker said, only 12 indicated that they had received the benefit of regular religious instruction in a parochial school.

It was also stated that it was an unusual case when a man who had received definite religious training was brought back as the result of a second conviction.

Father Hoey also set forth that he felt any considerable progress in handling the crime question would not come unless the problem were first stripped of its mawkish features and the fact recognized that the chief difference between a prison population and those on the outside was a difference of governing principles, and he stated that there was so little evidence of physiological defects among convict groups that this phase of the issue was of decidedly secondary importance. The criminal, the speaker said, decides to get what he wants when he wants it, without reference to the rights of others, and unless he is made to change his base, to realize that the will of God is reflected in the law of the land, there is little hope, Father Hoey stated, of any permanent progress.

Previous to Father Hoey's address, the regular devotional exercises of the Holy Name Society, including Benediction of the Blessed Sacrament, were held in the church.

HUNDREDS PAY FINAL TRIBUTE TO CAPT. DONAGHY

CONTINUED FROM THE FIRST PAGE

The office of captain of police was consequently created for him and he was retained in an advisory capacity. Up until immediately before his death, he made regular trips to the police headquarters in the township building in Ardmore in order to keep in close touch with the police work.

Before accepting the post as chief in Lower Merion, Captain Donaghy had been continuously a member of the Philadelphia police force from April, 1875, until his resignation in 1908. Appointed as a patrolman by Mayor Stokley, he was promoted to a sergeant in 1879, and became a detective the following year.

For more than two decades the career of Detective Donaghy read like a romance in fiction. With his partner, "Bob" McKenty, who later became warden of Eastern Penitentiary, Donaghy distinguished himself in many baffling cases both through his courage and his intelligence.

Figured in Big Cases.

He came into national prominence during the nineties, when he trailed the thief and recovered \$20,000 stolen from the United States Express Company in Philadelphia.

Another case in which Donaghy and McKenty distinguished themselves was the clearing up of the mystery surrounding the kidnaping and murder of Mabel Goodrich, 18 years ago. They worked on the case for many weeks, and finally arrested the murderers.

Detective Donaghy was promoted to the office of captain of detectives on September 25, 1904, and became chief of the Detective Bureau three months later. He held that position when he resigned on a pension in 1908.

A resolution lamenting the death of Captain Donaghy and praising him highly as a police official was passed by the Lower Merion Commission at its meeting Wednesday night in Ardmore. This resolution follows:

"The Board of Township Commissioners of Lower Merion township with profound sorrow record the death on February 12, 1927, of Captain James I. Donaghy, of the Lower Merion Police Department.

"Captain Donaghy was appointed chief of Lower Merion's police force on March 23, 1910, after having served the city of Philadelphia for a period of 37 years as a faithful and courageous officer and detective. He was in a true sense a guardian and protector of the lives and property of our citizens, a friend to every one, even the hardened criminal received fair treatment at his hands, and it is a privilege indeed, to bear testimony to the sterling qualities of his manhood, and our deep affection for him as a co-laborer and a friend.

"Therefore be it resolved that we, the Board of Commissioners of Lower Merion township, lament the loss of this valued police official and desire that this expression of our affection for him and our regard for his work, be spread upon the minutes of this board and a copy thereof be sent to his family as a token and assurance of our sympathy for them in their bereavement."

TO OPEN LIBRARY

Book lovers of Narberth will be glad to hear that a circulating library will soon be put into practice in the Oddity Shop on Forest avenue. Mrs. Nash returned recently from New York where final arrangements to have all the latest and best books were completed.

GIRL SCOUTS TO GIVE PLAY

The Narberth Troop of Girl Scouts, under the joint direction of Mrs. John Nash and Mrs. Arthur Cook, are arranging to present the "three-act comedy, "Promoting Romeo," by Helen Bagg, at Elm Hall, sometime the latter part of March.

Rehearsals have begun and the girls hope to make this presentation particularly entertaining.

Those who saw the "Fashion Show" given by the scouts two seasons ago, know what dramatic talent they possess and will wish to hold open the date when their newest presentation will be made.

EXAM AT MERION

United States Civil Service examination will be held on March 19 for clerk-carrier at the Merion Station Pa. post office.

Applications must be filed with the Commission before the close of business on March 9, 1927. Application blanks can be had at the Merion P. O.

FAT IN BEEF

Yellow fat in a beef cut or carcass usually denotes low-grade beef from a grass-fattened animal. Firm white tallow in a beef cut with small veins of this fat appearing throughout the substance of the meat, denotes beef of a superior grade and such meat is usually tender and palatable.

a well-known teacher of physical education at the Northeast High School in Philadelphia. He has been for years director of Camp Happy. These positions have brought him into the closest contact with girls and boys, especially girls.

He is an authority on matter of health and food and outdoor living. Not only does he work right in contact with boys, but he conducts systematic studies upon the relation of play and diet to malnutrition. He is a good talker, full of pep.

It is of vital interest to every father in Narberth irrespective of where his children attend school to be at this meeting on February 28. This meeting is held under the auspices of the newly organized Mothers' Council and is for fathers only.

HAVE YOU?

Little Girl Between the Ages of Seven and Ten.

If so, you will be glad to learn that a pack of Brownies is being formed here in Narberth, and if she is fortunate enough to be one of the first 16 enrolled she has many jolly times in store for her. Brownies are not merely little girls who are being kept out of mischief until they are of girl scout age; they are little people being trained constructively in the underlying ideals of girl scouting.

Mrs. Somers Newman, of Lantwyn lane, is the organizing Brown Owl and Miss Helen Bruter, one of the leaders in the Narberth Girl Scout Troop will act as pack leader. The membership of a pack is limited to 16 Brownies, so if you don't get your little girl there early it may be too late.

The organizing meeting will be held on Wednesday afternoon in the Scout House at 4 o'clock.

IS IT POSSIBLE?

In the address of Mr. W. C. Irwin, Controller of Montgomery county, before the Narberth League of Women Voters last Monday afternoon, he gave the following figures on the vote cast in Narberth last year (1926):

PRIMARY ELECTION			
Dist.	Number Enrolled	Voted	
1	789	349	
2	892	476	
3	575	345	
GENERAL ELECTION			
Dist.	Number Registered	Voted	
1	929	347	
2	1058	440	
3	636	331	

One may well ask, is it possible that such apathy exists in our own borough. We, who felt we were a little above the average citizen.

The meeting this week is the first of a series to be devoted to hearing the officers of our county and borough, and becoming acquainted with them, so as to be able at least to recognize them on appearance; as well as to learn something of their ideas on subjects about which we may ask.

Each month for the remainder of the season we will have a different office discussed, and a present incumbent of said office as our speaker.

If by this means we can arouse only 1 per cent. of the 70 per cent. which did not vote last November, it will have proved worth while.

Watch for the announcement of our March meeting and remember that every voter in Narberth is most welcome.

ENTERTAINED BY BLIND

An entertainment by the girls from the Overbrook School for the Blind will be given at the Lutheran church, Friday evening, February 25, at 8 P. M. Those who had the pleasure of hearing the blind boys will not want to miss this opportunity of hearing the girls.

Admission is 25 cents. Tickets may be secured from members of the Lutheran Choir and Sunday School, or may be secured at the door.

NO. 247
AN ORDINANCE

An Ordinance requiring that permits shall be obtained for opening or breaking highways of the Borough of Narberth, occupying or otherwise obstructing highways with material, providing penalties for failure to obtain such permits where required and to comply with same; and providing for the repeal of certain ordinances inconsistent herewith. Council of the Borough of Narberth does ordain

SECTION 1—DEFINITIONS
The word "highway" whenever used in this ordinance shall mean any public street, road or bridge and shall include the roadway, gutter, curb, sidewalk and the whole legal width of the street, road or bridge.

The word "person" whenever used in this ordinance shall mean any individual partnership, association or corporation.

SECTION 2
That on and after the passage of this ordinance it shall be unlawful for any person to open or break any highway or to occupy any such highway with material for any purpose whatsoever, unless and until a permit to do so shall have first been obtained as herein provided.

SECTION 3
Permits shall be issued by the Street Commissioner on forms prepared by the Highway Committee and approved by Council. No permit shall be issued under the provisions of this ordinance for a period longer than thirty days.

SECTION 4
When found to be necessary the Street Commissioner may issue a permit for the opening or breaking of highways for the depositing of material thereon, but in no case shall he issue a permit for the depositing of material on a public highway unless it shall have been found impossible to store the same upon abutting property within the line of the sidewalk there of.

SECTION 5
At the time a permit is issued the person receiving same shall pay to the Street Commissioner a fee as herein provided, which fee shall be remitted by the Street Commissioner in full to the Borough Treasurer for the use of the Borough, such remittances to be made by the Street Commissioner weekly or as otherwise required by Council.

The charge for each permit covering the depositing of material on the highway shall be one dollar (\$1.00) for each day of twenty-four hours (24 hours) for the period applied for. The charge for each permit covering the opening or breaking of the highway shall be a sum equal to nine dollars (\$9.00) for each square yard or fractional part thereof, to be opened or broken, but under no condition is the charge to be less than nine dollars (\$9.00).

SECTION 6
That the granting of a permit for any purpose whatsoever under the provisions of this ordinance shall constitute an agreement on the part of the person making the application to comply with all terms thereof and with all the regulations and requirements of the Highway Committee now in force or hereafter adopted and to indemnify and save harmless the Borough from and against all claims, demands and action for damages either to person or property that may be sustained by any person by reason of or arising out of any work done under the application and permit.

SECTION 7
That no permit for depositing material on the highway shall be issued except upon such terms and conditions as may be required by the Highway Committee or the Street Commissioner. No such permit shall authorize the occupying of more than one-third (1-3) of the width of the roadway.

Provision shall be made by the applicant for such a permit for maintaining at all times a clean and unobstructed passage along the side walk at least four feet (4 ft.) in width and a free passage for water in the gutter.

SECTION 8
It shall be the duty of the person to whom a permit has been issued to protect all openings, material and obstructions of any kind in a highway by red lanterns which shall be kept lighted from sunset to sunrise and by such other protection as may be required by the Street Commissioner.

SECTION 9—PENALTIES
Any person who shall violate any of the provisions of this ordinance or who shall fail to comply with the conditions and requirements shall be liable to a fine of not less than five dollars (\$5.00) nor more than one hundred dollars (\$100.00) in the discretion of the Chief Burgess or Justice of Peace imposing the same, the funds to be sued for and recovered in the name of the Borough, and for the use thereof, as such debts are collectable at law.

SECTION 10—REPEAL
All ordinances and parts of ordinances inconsistent herewith be and the same are hereby repealed.

Coming!

Winter's Second Appearance!

Spring may be taking Winter's curtain calls for the present, but better believe that Winter will be ready when the bell clangs for her second act!

You, as an audience, should be prepared for this re-appearance. Three cheers and a warm welcome as Winter steps on the stage for her second act! True, it won't be long before her final bow has really been made—but that time isn't yet.

Until then—be ready. In plainer words—"Don't let the coal pile dwindle!"

Reduce Slowly

The temptation to go to extremes in reducing is one which physicians say should be carefully guarded against. It seems sensible to assume that fat should not be taken off much faster than it is normally put on by the body.

When your physician outlines a plan to be followed in reducing, don't feel discouraged or think that it is not effective if results are not immediate and drastic.

Reducing too fast is often quite as dangerous as carrying a lot of unnecessary fat.

Trust your physician's judgment in this as in other matters pertaining to your health.

Whenever prescriptions are a part of the health plan or the treatment, let us fill them for you.

INCREASE SHOWN IN PENSION FUND

Police Association Assets
Are \$37,482.76. Need
\$100,000.

OFFICERS RE-ELECTED

Encouraging growth of the Lower Merion Police Pension Association was evidenced at Monday's meeting of the directors in Ardmore by the annual financial statement of Secretary-Treasurer Evan L. James. From \$600 three years ago the assets have risen to \$37,482.76, which is an increase of approximately \$10,000 over last year's figures. There are about 1200 contributing members on the roll, and 68 active members, including 63 members of the police force in Lower Merion three in Narberth and two in Merion.

It is hoped to put the pension fund on a sound basis, with about \$100,000 resources, so that the association may feel safe in guaranteeing pensions to the police in the township. It is possible to become a contributing member by paying \$5 or more a year.

S. Earle Haines, of Merion, was elected director-at-large at Monday's meeting of the association, as was John Barnes, of Haverford, who will replace Fletcher W. Stites, of Narberth. Samuel Rea, of Bryn Mawr, was re-elected as a director. Sergeant Wentz was re-elected, and Officers Robinson and Duke were elected by the force as delegates for the current year.

LUTHERANS REGRET PASTOR'S RESIGNATION

Church Council Passes Resolution at
Annual Meeting.

At a regular monthly meeting of the Church Council, Holy Trinity Lutheran Church, held on January 4, the resignation of the Rev. Dr. McLinn as pastor of that congregation was presented and read. At the annual meeting of the congregation held on Wednesday, January 19, the resignation was officially acted upon and accepted with regret, with the proviso, however, that it should become effective January 31, 1927, instead of January 12, 1927, as requested by Dr. McLinn. Dr. McLinn's work is so well known as to need no further comment, and the congregation and council feel that proper recognition should be accorded the efforts put forth during the past four years, and have, therefore, adopted the following resolutions:

"WHEREAS the congregation of Holy Trinity Lutheran Church, Narberth, Pa., in annual meeting assembled has accepted with regret the resignation of Dr. Milton E. McLinn as their pastor, to take effect January 31, 1927, due to a desire on his part to be relieved of the duties and responsibilities incident to administering the affairs of a congregation, and with full appreciation on the part of the congregation and council of the inspiration and guidance which he furnished in the planning and building of our present church home, and in the carrying on of the work since its completion, therefore be it

"RESOLVED that the members of Holy Trinity Lutheran Church extend to Dr. and Mrs. McLinn their best wishes for health and strength, so that the years that remain before them may be happily spent secure in the knowledge of having served well during more than half a century of active church work, and be it further

"RESOLVED that a copy of the above Resolutions be forwarded to Dr. and Mrs. McLinn; that a copy be spread upon the minutes of the Church Council, and a copy forwarded to the editor of "Our Town," with a request that they may be published in an early issue of that paper.

"By direction of the Council:
"H. E. METIUS,
"Secretary."

GIRLS WILL PERFORM

The girl pupils of the Pennsylvania Institution for the Blind at Overbrook will give a concert and entertainment at the Lutheran church in the near future. Further announcement will be made later.

HIGH SCHOOL WEST WING READY SOON

East Wing Completed—Plan Additions to Ashland School.

The new east wing of the Senior High School in Ardmore is now completed, according to S. Edgar Downs, superintendent of Lower Merion schools, and the west wing is expected definitely to be completed and ready for occupancy not later than March 15.

The completed wing includes new classrooms and a cafeteria. The west wing includes a gymnasium, which will be for use of the boys, while girls will have the Junior High School gymnasium for their own. It is planned to hold smaller athletic contests, including basketball games, in the new gym, and relieve the growing demands on the larger gym in the Junior High School, although the big games will still be played in the larger gym.

The balcony of the new gym will seat 300. Under dressing rooms are being installed. The base of the gym will be of concrete, with pliant mastic flooring, durable and resilient.

LOWER MERION HIGH NEWS

New March "Maroon and White" Composed by Music Director.

Friday morning, in the Lower Merion Assembly Hall, was ushered in on the wings of harmony, when the High School Orchestra rendered "Maroon and White," a newly-composed march by Bruce Creswell Beech, musical director of the Ardmore institution. The march was dedicated to Principal Charles B. Penny-packer, who announced his pleasure at the dedication and added that it was the third march that had been dedicated to him.

Mr. Beech is an alumni of Ursinus College, where he was student director of the Glee and String Clubs.

After devotional exercises the Senior Dramatic Club put on two one-act plays. The first, "On a Winter's Day," was a short skit about three young maidens. The characters of the play were Mina Lyle, maiden one; Mary Scanlon, maiden two; and Ethel Keim, maiden three. Walton Fortstall took the part of an old colored mammy.

The second play, "The Red Carnation," was one of intriguing romance and novel plot. The characters were: Man—Robert Ross; Boy—Herman Ball; Girl—Helen Strohm.

Seniors Busy on Play.

The Senior Dramatic Club, of which Walton Fortstall is president, is busy preparing the Annual Senior Play, which will be held this year on Friday evening. May the 6th an experiment will be tried in substituting a three or four-act play in place of the former three one-act plays. Competitive trials are already being held for those wishing to star in dramatic roles.

Lower Merion took another basketball beating from Norristown Friday night, at Ardmore, by a 36 to 22 score.

The Merion men did not threaten the laurels of the Blue and White combination after the first quarter. The score at half time was 19-13 in Norristown's favor.

The Maroon and White combination played a clean game, but was a little shy on teamwork and lacked aggressiveness in pinches. Most of the Ardmore quintet's points were scored by long shots from the center of the floor. The visitors played good ball, with a confusing pass attack and short passes to the basket. Atkins starring in particular, with seven two-pointers.

The Haverford girls completely annihilated the Merion lassies Thursday afternoon, on the Haverford court by a 28-3 score. All evidence of teamwork was missing and the spirit of the local team was on a dangerously low ebb.

ALUMNI PLAN CONCERT

Plans are now being made by the Lower Merion Alumni Association for a concert which is to be given in the spring for the benefit of its scholarship fund. At the last meeting of the officers Clarence G. Nice, of Narberth, operatic conductor, submitted a proposition for an entertainment by orchestra, ballet and opera stars.

\$411,217 BALANCE

In County Treasury on February 1, Irwin Reports.

There is a balance in the treasury as of February 1, of \$411,217.37, as compared with a balance as of January 1, of \$444,985.11, according to the statement of the financial condition of the county, submitted Monday to the County Commissioners by Controller Irwin.

During the month it cost \$6623.79 to maintain the County Home and \$6095.54 for the county prison. The House of Detention cost \$963.69. For bridges \$2196.56 was spent and roads cost \$4996.95.

The largest balance accredited to a county office is that of Recorder of Deeds Sheeder, of \$66,534.25.

Cynwyd Trips Boro Methodists to Take First Half Court Title

ELECT OFFICERS

The Cynwyd Presbyterians won the first half championship of the Main Line Church Basketball League last week, when they defeated the Narberth Methodists at Narberth on Thursday night. A final game was scheduled for Saturday evening with the Narberth Presbyterians at Cynwyd, but not needing this contest to clinch their claim to the league title the Covenanters forfeited it to their borough opponents.

The Cynwyd aggregation won all nine of the games that it played during the first half. Most of the tilts were taken easily and the only real opposition of any kind came from the Narberth Presbyterians, rivals for the first half crown. Narberth, however, defeated once by Cynwyd and once by the Ardmore Y. M. C. A., was forced to be content with second place.

The score of the final game last Thursday was 36-16. Cynwyd jumped into the lead at the outset and was never in danger. The count at half time was 12-7, Cynwyd's favor.

Fort High Scorer.

Tubby Fort, of Cynwyd, former Lower Merion High court star, was high scorer for the evening with six field goals and five successful foul shots. Bill Heard and Jenkins shared the honors for Narberth, each getting two double deckers apiece.

The line-up for Cynwyd was Scull and MacFadden, forwards; MacPherson, center; Fort and Warren Drumm, guards. Warde was substituted for Drumm for part of the game.

Jenkins and Purring were the forwards for Narberth. Heard jumped center while Pedrick and Yocum were at the guard positions. Smith substituted for Jenkins, Sigel for Purring and Pedrick.

ROTARY HEARS TALKS

Rev. George Barnes, of Overbrook, and Joseph J. Skelton, Jr., were the speakers at the weekly luncheon of the Bala-Cynwyd-Narberth Rotary Club held Tuesday at the Cynwyd Club. Both talks were a part of the Rotary Education program.

FOOD FROM THE NORTH

The reindeer industry in Alaska, although a comparatively recent commercial undertaking, promises to become an important factor in the future development of the territory, says the Biological Survey of the United States Department of Agriculture. The original stock of 1280 animals imported to Alaska from Siberia about 25 years ago has increased to nearly 350,000, distributed in 110 herds.

More than 1,000,000 pounds of reindeer meat was exported from Alaska during 1924 and 1925, and a steady increase in the output and demand is indicated. When properly produced and handled, the meat compares favorably with beef. It is fine grained, contains a good, palatable fat, and when fresh is exceptionally juicy and tender.

ROADSIDE TREES

Success in roadside tree plant-ment of Agriculture, depends on properly locating the plants along the highway, selecting suitable varieties, and adequately protecting them from thoughtless persons, roving stock and insects and diseases.

The best effects in roadside planting are usually produced by giving the predominant place to the common plants of the neighborhood, using introduced plants in subordinate positions. Next in desirability are plants from regions having similar growing conditions either in this country or abroad. Oaks are more generally useful for roadside planting than any other kind of tree. There are species of this tree native to nearly all parts of the country.

A few hours will make a vast difference in the taste of candy and baked goods. That is why we manufacture them within a few hundred feet of our shop.

But if this short time will make a difference, what an improvement White's Candies must be over the boxed brands from other cities often packed months before! Have you tried a box of White's delicious Narberth-made candy?

The same freshness and high quality have made our baked goods and ice cream famous. These as well as the candies, are made in our modern shop at the railroad circle. All three products will give you a new experience when you try them.

MANY SCOUTS AT CHURCH

Tribunal Formed to Supervise Dis-

ciplinary Matters.

Twenty-six Boy Scouts, accom-

panied by Scoutmaster B. J. Cook,

Assistant Scoutmasters John Wilson

and "Jim" Hutchinson, together with

members of the troop committee and

the fathers' association attended church

services last Sunday in the Methodist

Church. The Rev. W. Sheridan Daw-

son delivered an inspiring sermon on

the work of the organization, with

which he, himself, had at one time

been actively connected. The entire

service was devoted to the boys.

At the last meeting of the troop in

the cabin, a governing body, or Scout

Tribunal, was organized for the pur-

pose of reviewing and passing upon

all matters of conduct, infractions of

rules, or disobedience on the part of

any member of the troop.

The tribunal is composed of As-

sistant Scoutmaster John Wilson,

Senior Patrol Leader Albert Lambert,

Patrol Leaders William Harris, Keith

Parks, Howard Wilson and Jay

Thomas and Assistant Patrol Leaders

Howard Whitnev, Vestus Spindler,

Fred Van Auker and Willard Zindel.

Following the meeting, the scouts

marched to the Presbyterian Church,

where they saw several reels of mov-

ing pictures of the Penn vs. State foot-

ball game, and a "nature study" pic-

ture of lumbering operations in the North-

west. The pictures were shown in con-

nection with the father and son ban-

quet given by the H. C. Gara Bible

Class.

As very few fathers of the boys have

witnessed the carrying through of an

evening's regulation program, plans

are being laid to have in the near

future a special night set aside to en-

tertain them. This will be known as

"Our Dads' night and an effort will

be made to have a 100 per cent. rep-

resentation.

CAMP FIRE NEWS

I suppose you wonder where the

Kiyugan Camp Fire Girls are keeping

themselves after school? Well, they

are rehearsing their big play, "Mr.

Bob," which is to be given next Fri-

day, the 25th, at 8.15 P. M., in the

Narberth School Auditorium. Tickets

are now on sale and can be obtained

from any of the Camp Fire Girls. See

if there aren't some in your section of

the town.

The girls and their addresses are:

Eleanor Michaelson, on Haverford

avenue; Virginia Eyre and Dorothy

Clevenger, on Woodside avenue;

Betty Otto and Elizabeth Terry, on

Grayling avenue; Virginia Douglass,

on Elm Terrace; Betty Robb and Mar-

garet Robertson, on Forrest avenue;

Madeline Baughman, on Narberth av-

enue; Almira Gregory and Kathryn

Aungst, on Dudley avenue.

All these girls have shown some

talent in different productions of the

town, but now we will see all that

talent combined and concentrated into

"Mr. Bob."

Don't waste your money on the

"movies," but come see the play. It is

Friday the 25th. Don't forget—"The

Camp Fire Fly."

KING'S DAUGHTERS

STATE LOANS BOOK

Library Provides Special Service by
Appealing to Harrisburg.

A request came to the Library recently from a man who has made a life long study of cut stones for a specialized book on jewels. Unfortunately this book was not in the Library's collection and the one demand for such an unusual book could not be considered ample justification for buying it from the limited funds available. The Library, however, aims to give as complete service as possible and hesitates a long while before turning away any one unsatisfied.

According to a letter was sent to Mr. Robert P. Bliss, chief of the Library Extension Division of the State Library at Harrisburg asking for the privilege of borrowing the book from their library if it should happen to be available. A prompt reply from Mr. Bliss brought the book to the local library with the explanation that it could be kept for a month with the privilege of renewal at the simple expense of the necessary postage.

This incident is recorded here merely to let the public know that even if the Library does not have some highly technical or specialized book, it does have the privilege of borrowing such a book from the State Library. Moreover, the Library considers it a pleasure to have such problems presented to it and is never so happy as when it is extending its service beyond what it has reached before.

ORCHESTRA PLEASES WITH VARIED CONCERT PROGRAM

CONTINUED FROM THE FIRST PAGE
was justified by the applause.

Miss MacColl's selections for piano solo included a Prelude of MacDowell, Barratt's "Highland Lament" and "Gavotte," by d'Albert. In these three varying types of music she demonstrated a pleasing breadth of technical knowledge, in addition to a surprising amount of physical vigor. The "Highland Lament," in particular was played with sympathetic touch and modulation.

As an encore Miss MacColl offered the familiar and popular waltz number 15, of Brahms.

The orchestra concluded its program with two Spanish dances by Moszkowsky—"Dance No. 2" and "Bolero." With these vigorous and dashing numbers the entertainment was brought to a fitting close.

Observers who have followed conductor Vogel's work for several years expressed themselves as more than pleased both with the concert and with the public support shown. Despite a driving snowstorm, the Ardmore Theater was well over half filled, and those present were pleased and responsive.

The need of additional instruments in the brass and woodwind sections was shown in some of the heavier parts of the concert, and there is a great deal to be done in further ensemble training, but despite such minor criticisms, Main Line music lovers are looking with in creasing pride to this very unusual and excellent organization.

For the next concert, on March 27, Mr. Vogel will present the University of Pennsylvania band, of which he is director. Clyde R. Dengler, star tenor of the Penn Glee Club, will be soloist.

SCORE HIGH

Marathons and Battlers Have "Lucky Strikes."

The Methodist Marathons and Baptist Battlers wrote their names in the sky during the last contests, but time may efface this spurt of glory.

Battler Wm. D. Smedley made the highest average for three games during the second half of the season—189 1-3. This is evidence that a man is not at his best until he is past 40.

You can save time, worry and money by buying in Narberth.

THE LOST DOLLAR - -

Back in the country districts, miles from a store, the mail order catalogue is nearly as popular as the radio. The farmers cannot judge the values, but the promises and pictures are pretty. Families living near neighborhood stores no longer buy a "pig in a poke."

The economy of buying from a distance is one of life's little fallacies. The purchaser spends postage both ways, pays for a money order, and waits a week or so for the articles for which he has paid in advance. When they come, he will discover that equal value is to be found in Narberth's own business section, offered with service, with credit courtesies, and with a reachable firm behind the goods.

The dollar spent at a distance is gone forever. The dollar spent with a local business man is deposited in Narberth banks, is exchanged with Narberth men, and circulates throughout the borough to stimulate trade. The prosperity created aids in the payment of taxes whose burdens are partially lifted from the shoulders of the householders.

Don't send your dollars on a wild-goose chase. Ask for what you need in Narberth, and learn the variety and value to be received, with the added pleasure of making your own choice.
